

2025 Tax Questionnaire

Dear Valued Client,

Clients are welcome to mail documents, drop them off, fax, or email them together in one or two attachments at any point during tax season. Please note that any documents sent or dropped off at our office after March 20, 2026 may require an extension. Therefore, we encourage clients to send us their documentation as early as possible. Thank you!

This questionnaire helps us gather important information so we can be as thorough as possible in preparing your tax returns. Our country's tax laws are rapidly changing and affecting more and more people. The sheer complexity requires more attention to details than ever before. Whether you mail or drop off your tax information, please take a few moments to complete the questionnaire and do not hesitate to call my office if you have any questions.

Please note that the Internal Revenue Service NEVER contacts any taxpayer through the internet or e-mail. Please disregard any e-mails sent from the Internal Revenue Service as spam. In addition, the Internal Revenue Service will never contact a taxpayer by phone prior to attempting to contact them via U.S. mail.
